Subject: Silverton Public Meeting

Hi Claire,

I know you sent this information along but it's buried in my emails. Sorry. Could you send me the contact information for Silverton so we can reach out. Please include Cynthia Peterson who is cc'd on this email. As I mentioned before she is the CIC for the site and is heading down here tomorrow. She will reach out and help to get the planning started. Since we have a public meeting planned now for Sunday evening it will have to be on Monday. Hope that works for them.

Sincerely, Libby
